

The tiny Federation *Flower*-class VT corvette class were all named for flowers, inspired by the historical *Flower*-class anti-submarine escort corvettes of the British and American navies in World War 2.

As of 3/30/2024, these names have not been added to the official SFU history and naming list: (http://www.starfleetgames.com/documents/Starship_Name_Registry.pdf), but this list was provided by Steve Cole of ADB and these names will be incorporated at a later date:
